## Democratic Executive Committee.

A meeting of the Democratic Executive Committee was held at Aug's Club-house this morning for the purpose of making arrangements for sending delegates to the State and County Convention, twenty-nine members present, President Mullaney presiding. In the absence of Ed. Kramer, John V. Hinkle was elected temporary Secretary.

On motion of Mr. Overaker, a committee of three was appointed by the committee to prepare a platform for the Convention, and name the time and place of election of such delegates.

The Chair appointed Messrs. C. W. Overaker, J. M. Noble, Mike Ryan as such Committee. Mr. W. J. O'Neil, of the State Central Committee, who was present, stated that all arrangements had been made by the State Convention for the holding of the Convention on the 17th of June. Hamilton county was entitled to forty-five delegates in the Convention, but it was the desire of the Committee that all Democrats who could should go to Columbus on that occasion, as it was the intention to hold an immense rally meeting the night after the Convention.

Reports from different parts of the State indicated the election of the entire Democratic ticket by a good majority. It was also recognized that in Ohio was to be fought the battle that should decide the issue of the next Presidential campaign, and with that understanding the delegates were using every means within their power to secure success. A ratification meeting that should give an unqualified endorsement to the ticket with old William Allen at its head would contribute greatly toward securing a Democratic victory. That victory was probable, but the party should not fail to use every means to make it sure.

A committee on Apportionment reported as follows:

The report stated that the County was entitled to forty-five votes, counting one vote for each five hundred cast for Bell, as Secretary of State, and one for each fractional part of five hundred votes over two hundred and fifty; therefore, the wards are hereby entitled to the following number of delegates:

First Ward, 1; Second, 1; Third, 2; Fourth, 2; Fifth, 2; Sixth, 2; Seventh, 1; Eighth, 2; Ninth, 1; Tenth, 1; Eleventh, 1; Twelfth, 1; Thirteenth, 2; Fourteenth, 1; Fifteenth, 1; Sixteenth, 2; Seventeenth, 1; Eighteenth, 1; Nineteenth, 2; Twentieth, 2; Twenty-first, 2; Twenty-second, 1; Twenty-third, 1; Coleman, 1; Columbia and Symmes, 1; Green, Delhi and Riverside, 1; Millcreek, 2; Springfield, 1; Symamore, 1; Spencer and Anderson, 1; Miami, Crosby and White-water, 1.

It is the expressed desire to have a popular State Convention and to secure a general attendance from every part of the State. We therefore do respectfully recommend that the wards and townships above classed elect double the above number of delegates, and that each of them, in case all are present, have half a vote each, and if they are not all present the vote shall be proportionately cast by those that are present.

Two delegates were recommended that the primary meetings of the wards of the city be held on Monday evening, June 14th, between

the hours of 4 and 8 P. M., and that the election in the county townships be on Saturday, the 12th instant, between the same hours.

All of which is respectfully submitted.

C. W. OVERAKER,  
J. M. NOBLE,  
M. RYAN.

The apportionment of delegates was so amended as to give Green township one vote, Delhi and Riverside together one, instead of one for three, putting Miami and White-water townships, including Miami and Harrison, and Crosby and Harrison, instead of Crosby and White-water together, and giving Millcreek one vote instead of two. The report as amended was adopted.

Messrs. J. V. Hinkle, Dan. Wolfe, M. Costello, David Foltz and J. M. Garrison were appointed a committee to make all necessary arrangements for the attendance of delegates, procuring rates of transportation, badges, etc., and the Committee then adjourned.

With this object their graves in the cemetery at Varese were opened and the remains of the two composers were exhumed. Donizetti was buried in 1848, and Meyer in 1845. The committee had requested Signor Verdi to write a piece of music for the occasion, but in a letter to them, in which he expresses his regret that he will not be able to be present, he excuses himself from the task on the ground of his old and well-known custom of not writing post-hoc.
